SECURITY MANAGEMENT POLICY

COMMITTMENT:

The management of JMBPLL is committed to comply with requirements and continually improve the effectiveness of its Supply Chain Security Management System by:

- ❖ Establishing effective physical security controls in order to protect the lives of all its employees and the stakeholders, information & assets within the Terminal premises.

- ❖ Identifying and evaluating all the security risks and establishing controls to manage and reduce any quantified threat / risk to an acceptable level to avoid or minimize any adverse security impact on its business.

- ❖ Improving and enhancing the company's incident management, business continuity and resilience capabilities at all levels.

- ❖ Complying with all applicable statutory and regulatory security requirements directly and /or in coordination with concerned stakeholders.

- ❖ Recording and communicating the security performance throughout the organization.
- ❖ Continual improvement of security performance and process through regular audit and reviewof the Security Management System.

- ❖ Promoting security awareness amongst all employees through internal training & drills relevant to specific security objectives.

- ❖ Senior management visibly upholding principles of this policy and integrate them throughout JMBPLL.

Vision:

Market leader in every segment of logistics & shipping support service with a social conscience.
